SIR

I AM directed to acknowledge your letter No 6135—E 24 dated the 20th September last replying to Home Department letter of the 30th November 1876 in regard to the expediency of appointing properly qualified Natives to the post of Head Masters of High Schools You fully recognize the propriety of such appointments but desire to regard Eurasians as qualified for such posts as they furnish at present many estimable and very efficient officers to the Educational Department The Government of India concur in your views and hope that henceforth and as opportunity may offer Natives (including Eurasians) will be appointed to the Head Mastership of High Schools in Mysore

2 In your letter you also notice the subject of raising the pay of the Head Masters of the High Schools at Mysore and Shimoga The Government of India are disposed to accept the explanation offered by the Director of Public Instruction on the case of Mr Candy Head Master of the High School at Mysore and on a re consideration of the circumstances of both the Schools they are pleased to sanction the increase of the scale of pay of the Head Masters of the High Schools at Mysore and Shimoga as recommended in your letter of 26th November 1875 from a minimum of Rs 250 to a maximum of Rs 400 rising by five annual increments on the understanding that this increased pay is granted only to the present incumbents as a personal allowance and that successors on these salaries shall not be appointed without the sanction of the Governor General in Council

Sir,

I have the honour to report that Mr C H Candy B A, L L M, Head Master, the Maharaja's College, Mysore, has been offered the Principalship of the College to be established on the 1st of June at Kolhapur with which will be amalgamated the present Rajaram High School As the salary attached to the office is more than double what Mr Candy is entitled to in Mysore, his acceptance of the appointment is, I regret to say, unavoidable

2 But in order that he may not lose the benefit of his service in Mysore

Mr Candy requests that a formal transfer of his service to the Kolhapur State may be effected, through the Government of India on behalf of the Mysore State on the one hand, and through the Bombay Government, under whose control it is presumed the Kolhapur State is placed, on the other

3 I may add that Mr Candy was appointed to his present office on C C Notification 414 of the 29th March 1876 The appointment and rate of pay allowed were sanctioned by the Government of India in despatch of the Hom Department (Education) No 283 of the 27th December 1877

Office of the Director of Public Instruction

Bangalore, 21st April 1880

From

To

The Secretary to the

Chief Commissioner, Revenue Deptt

Sir,

In continuation of my letter No 214 of the 13th instant, reporting the expected vacancy in the Head mastership of the Maharajas College at Mysore, I have the honour to propose for the sanction of the Chief Commissioner the transfer to that appointment of Mr C M Lenard B A. Head Master of the Shimoga College Mr Lenards qualifications are I believe well known to the Chief Commissioner, he has also acted on a previous occasion as Head Master at Mysore There is no one in the Department whom I can with greater

confidence recommend for the office 11

2 For the vacancy that will ensue at of Shimoga, I beg to nominate Mr A G Kingsa- First Assistant of the Central College, a position which he has satisfactorily filled for several years Mr King has had charge of important Schools at various times, and will I think do credit to the appointment

3 In connection with these proposed appoint- ments I beg to refer to the orders of the Government of India in the Home Department (Education) No 283 of the 27 December 1871 in which the rates of salary provided for the Head masters of the Mysore and Shimoga Colleges (namely Rs 250 a month rising to Rs 400/- by five annual increments) were granted only to the present incumbents (Messrs Candy and Lemard) as a personal allowance, and it was directed that successors on those salaries should not be appointed without the sanction of the Governor General

in Council I desire to represent the great necessity of obtaining a permanent sanction for the rates of pay thus provisionally allowed, and in support of the application would refer to the following remarks contained in the review by the Government of India of the last Educational Report (See Foreign Dept General No 130 I G dated 31st January 1880) "The Government of India consider that your attention may be usefully directed towards arranging for the supply of a really high education, in order that the Native Public Service in Mysore Province may thus be rendered more efficient"

4 The arrangements that have been made at Mysore and Shimoga for Collegiate instruction are strictly in conformity with these directions, and in view to the maintenance of the standard that has been already

attained which in the case of Mysore especially has been highly creditable, the rates of pay for which sanction is now sought are it is believed the very lowest that will procure the services of masters at all competent for the work On the other hand, it is owing to their inadequacy alone, as compared with what is allowed in other parts of India, that both the former and the present Heads of the Mysore College have been compelled to accept precisely similar but better paid appointments elsewhere

I am directed by the Chief Comr to invite attention to the fact that in accordance with letter from the Secty to the Govt of India in the Home Dept No 283 d 27 Decr 1877 the pay of the Head Masterships of the Shimoga and Mysore High Schools was sanctioned on the scale of 250 rs a month rising by 5 annual increments to 400 rs a month, on the understanding that such increased pay is granted only to the present incumbents as a personal allowance, and that successors on these salaries shall not be appointed without the sanction of the GG in C

Sir,

I am directed to acknowledge your letter No 561/13 dated 28th April last in which you ask that the higher scale of salary sanctioned for the present head masters of the Mysore and Shemoga High School may be granted for the future also whenever the incumbent is a European or an Eurasian

Mysore, especially the near prospect of its transfer to Native Rule, the Government of India consider it very expedient that the head masters of these two schools should, if possible, be Natives of India, a term which does not necessarily exclude an Eurasian. You do not represent the lower scale of salary (Rupees 250/- a month) as inadequate for natives of the Country, nor indeed in the opinion of the Government of India is there any reason for treating it as otherwise than sufficient. His Excellency the Governor General in Council therefore considers that no reason exists for continuing the higher rate of salary as you propose.

Dated Bangalore 31 December 1895

SIR

In continuation of this office Letter No 2578 dated the 9 July last regarding the pension leave and leave allowances of Mr C A Gandy, I am directed to inform you that in the correspondence that passed between the Government of India and Bombay on the subject in 1880, 1889, and 1890 it was decided that Mr Gandy was not a government servant, but was to be treated as and admitted to the pensionary advantages of one from the date of his transfer to the Kolhapur

state, namely the 28th June 1880 He
therefore the Government of India
state, belongs to class (c) of the classes
enumerated in para 3 of the Foreign
Department letter marginally noted, — No 1543 I dt 1 May 1884
a copy of which was forwarded to you
with this office letter No 450-60 dated the
21st May 1884, and in accordance with
the proposal put forward in para 8 of
that letter and accepted by the Durbar
in your letter No 14 dated the 7th July
1884, his service in Mysore qualifies
for a pension of which the Durbar will
pay a proportion

2 It follows therefore that Mr
Sandy's Service in Mysore also
qualifies for leave He however,
pays no contribution for leave
allowances, and the latter are there-
fore not debitable to British
revenues, but must be defrayed by
the Mysore and Kolhapur States
in proportions to be mutually agreed

upon, on this point a further communication will be made to the Durbar in due course
